Re:

4-Year Old Pre-School.

At the June 2011 board meeting this item was tabled.

Legislative action has now been taken regarding the 4 year old pre-school. The 4 year old pre-school will be funded at a reduced rate. The District will receive .5 per student funding instead of the .6 per student funding received last year.

It is recommended that the District continue to host the 4 year old pre-school the same as in 2010-2011.

Central Lyon Community School

Serving Rock Rapids, Doon and Surrounding Area 1105 S. Story Street, P.O. Box 471 Rock Rapids, IA 51246

Dear Parent/Guardian:

Children need healthy meals to learn. Central Lyon CSD offers healthy meals every school day. Breakfast costs \$1.00; lunch costs for grades TK-3 \$1.55 and \$1.75 for grades 4-12 and snacks costs (if available) for n/a. Your child(ren) may qualify for free meals or for reduced price meals. Reduced price is \$.30 for breakfast, \$.40 for lunch and n/a for snack, if available.

- Do I need to fill out an application for each child? Complete the lowa Eligibility Application for your household with all children listed. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application: Marla Freese, Central Lyon CSD, Po Box 471, Rock Rapids, IA 51246.
- 2. Who can get free meals? Children in households getting Food Assistance or FIP and most foster children can get free meals regardless of household income. Children enrolled in Head Start can get free meals regardless of income. Also, your children can get free meals if your household income is within the free limits on the Federal Income Guidelines.
- Can foster children get free meals? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income.
- 4. Who can get free milk? If your school participates in the Special Milk Program for half day kindergarteners, your kindergarten child may be eligible for free milk. Children who buy extra milk with a meal or if they have an afternoon milk break are not eligible to receive free milk.
- 5. Can homeless, runaway and migrant children get free meals? Yes. Please call [school, homeless liaison, or migrant coordinator] to see if your child(ren) qualifies, if you have not been informed that they will get free meals.
- 6. Who can get reduced price meals? Your child(ren) can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart on the back of this page.
- 7. I currently receive Food Assistance or Family Investment Program (FIP) benefits; do I need to fill out an application? Perhaps. School enrollment records have been compared to records from the Department of Human Services to identify children who are members of households receiving Food Assistance or FIP benefits. If ANY of your child(ren) are identified during this process all your children will be directly certified as eligible to receive free meal benefits and you will be notified of their eligibility by the school. Parents need to do nothing more for their children to receive free meal benefits.

Some eligible children may not be identified in this process. Households with children who were not identified should receive a letter of direct certification from DHS. Children on these letters will receive free meal benefits only if parents provide the letter to the school. Instructions to parents are included on the letter.

If you receive a notice from EITHER THE SCHOOL OR DHS that only SOME of your children are eligible because of direct certification, CONTACT THE SCHOOL. You may need to complete an application for the children who were not identified or provide additional information to the school.

- 8. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but do not include overtime if you get it only sometimes.
- 9. Will the information I give be checked? Yes, we may ask you to send written proof. You are not required to provide proof with your application.
- 10. If I don't qualify now, may I apply later? Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Assistance, FIP, or other benefits. If you lose your job, your children may be able to get free or reduced price meals.
- What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to Steve Sieperda, School Board President, PO Box 471, Rock Rapids, IA 51246 phone 712-472-2664.

- 12. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.
- 13. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends), who share income and expenses. You must include yourself and all children who live with you. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child.
- 14. I get WIC. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.
- 15. We are in the military; do we include our housing allowance as income? If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. All other allowances must be included in your gross income. There are currently no active Military Housing Projects in Iowa. For a listing of the Military Housing Projects by state visit the following web site: http://www.acq.osd.mil/housing/mhpi.htm.
- **16.** What other benefits might I be eligible for? Your child may be eligible for other benefits including *hawk-i* (children's health insurance) or for a waiver of school fees. Read the information on the back of the lowa Eligibility Application for *hawk-i* information. A school fee waiver form is available from your school.
- 17. Can children with disabilities get food substitutions? If a child has a disability, as determined by a licensed physician, and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the licensed physician. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability. Please call the school for further information.
- 18. Income Guidelines effective July 1, 2011.

If you have other questions or need help, call 712-472-2664.

IASB Legislative Priorities

Every year we are asked to prioritize legislative resolutions through IASB. Our selected resolutions from last year included: support tax dollars generated by students stay in the district in which they are generated; support preserving the integrity of the statewide penny sales tax for school infrastructure, including the tax equity provisions of buying down the highest additional levy rates to the state average; support legislation that increases the at-risk student weighting and includes drop-out prevention in the foundation formula; support setting allowable growth at a rate that encourages continuous school improvement and reflects actual cost increases experienced by school districts; and oppose unfunded mandates.

The IASB priorities listed this year include: support tax dollars generated by students stay in the district in which they are generated, supports funding to ensure all 3 and 4 year-olds have access to a high quality public school preschool program and to allow 4-year olds to be included in the enrollment count, supports legislation that increases the at-risk student weighting and includes dropout prevention in the foundation formula, supports setting allowable growth at a rate that encourages continuous school improvement, and opposes unfunded mandates.

SUBJECT: Call for 2012 IASB Legislative Action Priorities - YOUR VOICE MATTERS

The Legislature is close to finishing work on a \$6 billion state budget and the 2011 session is close to adjournment. Due to budgetary issues and policy issues not yet decided, it's clear our advocacy in the next year will be just as vital as in years past, if not more so. Now is the time to reflect on IASB legislative platform resolutions and priorities, which begins the next cycle of state public policy making.

From funding decisions to mandated activities, there is a huge amount of decision making done in the Legislature that ultimately determines the capacity and resources of school boards to lead for equity and excellence for all Iowa students. We've also scheduled our IASB District Meetings in June to help inform your board work in setting priorities and to get critical input from our members in charting our future advocacy efforts.

Please spend time at your May, June or July board meetings discussing and voting on legislative resolutions for the 2012 session (due August 12). Each board is requested to:

- Attend the IASB District Meetings in June to help inform your board work in setting priorities and help IASB to chart future advocacy efforts (visit the IASB website, www.ia-sb.org, for more information);
- pick no more than five priorities or approve the priorities from the 2011 platform, and/or;
- suggest amendments to existing resolutions or recommend new resolutions;
- identify resolutions that should be removed from the platform if they are no longer relevant or critical.

Several documents are attached to assist your board and district leadership in placing legislative policy on a board agenda and talking about the impact of state policy making on your district.

- 1. Call for Proposed 2012 Legislative Action Priorities and Resolutions. It gives instruction, timelines and the route that these priorities take once your school board submits them to our office;
- 2. The entire set of resolutions and priorities identical to those in your 2011 Beliefs and Resolutions book;
- 3. A copy of the response form and advocacy survey, or use the on-line response form: http://www.ia-sb.org/iasbform.aspx?ekfrm=7270; and
- 4. A sample news release to inform your public after your board has identified your priorities.

Resolutions and priorities need to be returned to IASB no later than August 12, 2011.

If you have questions, please email Marte Brightman, mbrightman@ia-sb.org or call her at (800) 795-4272.

- Address the remaining inequities in the foundation formula and other levies including physical plant and equipment levy, debt levy, instructional support levy, management levy, and cash reserve levy, and address the ability of lowa's AEAs to adequately fund facilities maintenance and repair.

Adequate Funding of Preschool Programs

Provide funding to ensure all four year olds have access to a high quality preschool program by including preschool students in the enrollment count.

Expand Flexibility and Authority for School Districts

Public school boards and administrators need greater decision-making authority. Initial steps include requiring the DE to interpret local control broadly. The UEN supports Home Rule for school districts. Until that is accomplished, the DE should apply the directives of Dillon's rule only in very extreme cases.

Repeal the provisions of SF 2033 that are no longer relevant since lowa was not selected to participate in the Federal Race to the Top grants to avoid any unintended consequences of limiting the ability of school boards and superintendents to implement necessary and effective strategies to "turn around" low performing schools.

Allowable Growth

Set and fully fund the allowable growth rate for FY 2012 at 4 percent to assure that lowa's current and future public school students are able to reach their highest aspirations and that lowan's expectations for our future are being met. School districts require adequate allowable growth to pay for the following:

- IPERS scaled up increases in employer contribution (uses the first 1% allowable growth for FY 2012 built-in increase)
- Increased costs of utilities, transportation, special education IEPs and insurance
- Step and lane change increases existing in collective bargaining agreements.
- Implementation of the lowa Core Curriculum and the Common Core Standards as well as federal requirements regarding schools in need of assistance (SINA), districts in need of assistance (DINA) and schools identified as persistently low achieving schools (PLAS)

Unfunded Mandates

All legislation requiring local districts to provide additional programs and/or services must include sustainable and sufficient state funding to cover the cost of implementing the mandate. The lowa Code should prohibit the unfunded mandate escape clause employed by former legislatures that the provision of state foundation aid is to be considered funding for new mandates.
