101 EDUCATIONAL PHILOSOPHY OF THE SCHOOL DISTRICT

As a school corporation of Iowa, the Central Lyon Community School District, acting through its board of directors, is dedicated to promoting an equal opportunity for a quality public education to its students. The board's ability may be limited by the school district's ability and willingness to furnish financial support in cooperation with student's parents and school district community. The board is also dedicated to providing the opportunity to develop a healthy social, intellectual, emotional, and physical self-concept in a learning environment that provides guidance to, and encourages critical thinking in, the students for a lifetime.

The board endeavors, through the dedication of the school district's resources, to encourage students, who come to the school district from a variety of backgrounds, to look forward to the time when they will have jobs, homes, families, places in the school district community, and attain recognition as individuals. In order to achieve this goal, the board will seek qualified employees dedicated to development of their professional skills for the betterment of the education program and for the expertise for educational productivity.

Instruction and curriculum are the key elements of a public education. Critical thinking and problem solving skills that will assist the students' preparation for life is instructed as part of a sequentially coordinated curriculum. The school district strives to prepare students for employment, to discover and nurture creative talent and to prepare them to meet and cope with social change in an atmosphere conducive to learning.

The support and involvement of the home and the school district community are essential to achieve educational excellence in the school district. The school district strives to maintain an active relationship with the home and the school district community to create within the students an awareness of dignity and worth of the individual, civic responsibility and respect for authority.

102.R1 GRIEVANCE PROCEDURE

It is the policy of the Central Lyon Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the Superintendent, Central Lyon CSD, 1010 S. Greene St., Rock Rapids, IA 51246, (712) 472-2664, superintendent@centrallyon.org.

Students, parents of students, employees, and applicants for employment in the school district have the right to file a formal complaint alleging discrimination. The district has policies and procedures in place to identify and investigate complaints alleging discrimination. If appropriate, the district will take steps to prevent the recurrence of discrimination and to correct its discriminatory effects on the Complainant and others.

A Complainant may attempt to resolve the problem informally by discussing the matter with a building principal or a direct supervisor. However, the Complainant has the right to end the informal process at any time and pursue the formal grievance procedures outlined below. Use of the informal or formal grievance procedure is not a prerequisite to the pursuit of other remedies. Please note that informal processes and procedures are not to be used in certain circumstances (e.g., sexual harassment and sexual assault).

Filing a Complaint

A Complainant who wishes to avail himself/herself of this grievance procedure may do so by filing a complaint with the equity coordinator(s). An alternate will be designated in the event it is claimed that the equity coordinator or superintendent committed the alleged discrimination or some other conflict of interest exists. Complaints shall be filed within 180 of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence. The Complainant will state the nature of the complaint and the remedy requested. The equity coordinator(s) shall assist the Complainant as needed.

Investigation

Within 15 working days, the equity coordinator will begin the investigation of the complaint or appoint a qualified person to undertake the investigation (hereinafter "equity coordinator"). If the Complainant is under 18 years of age, the equity coordinator shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. The complaint and identity of the Complainant, Respondent, or witnesses will only be disclosed as reasonably necessary in connection with the investigation or as required by law or policy. The investigation may include, but is not limited to the following:

- A request for the Complainant to provide a written statement regarding the nature of the complaint;
- A request for the individual named in the complaint to provide a written statement;
- A request for witnesses identified during the course of the investigation to provide a written statement;
- Interviews of the Complainant, Respondent, or witnesses;
- An opportunity to present witnesses or other relevant information; and
- Review and collection of documentation or information deemed relevant to the investigation.

Within 60 working days, the equity coordinator shall complete the investigation and issue a report with respect to the findings.

The equity coordinator shall notify the Complainant and Respondent of the decision within 5 working days of completing the written report. Notification shall be by U.S. mail, first class.

Decision and Appeal

The complaint is closed after the equity coordinator has issued the report, unless within 10 working days after receiving the decision, either party appeals the decision to the superintendent by making a written request detailing why he/she believes the decision should be reconsidered. The equity coordinator shall promptly forward all materials relative to the complaint and appeal to the superintendent. Within 30 working days, the superintendent

shall affirm, reverse, amend the decision, or direct the equity coordinator to gather additional information. The superintendent shall notify the Complainant, Respondent, and the equity coordinator of the decision within 5 working days of the decision. Notification shall be by U.S. mail, first class.

The decision of the superintendent shall be final.

The decision of the superintendent in no way prejudices a party from seeking redress through state or federal agencies as provided by in law.

This policy and procedures are to be used for complaints of discrimination, in lieu of any other general complaint policies or procedures that may be available.

If any of the stated timeframes cannot be met by the district, the district will notify the parties and pursue completion as promptly as possible.

Retaliation against any person, because the person has filed a complaint or assisted or participated in an investigation, is prohibited. Persons found to have engaged in retaliation shall be subject to discipline by appropriate measures.

103 LONG-RANGE NEEDS ASSESSMENT

Long-range needs assessment enables the school district to analyze assessment data, get feedback from the community about its expectation of students and determine how well students are meeting student learning goals. The board will conduct ongoing and in-depth needs assessment, soliciting information from business, labor, industry, higher education and community members, regarding their expectations for adequate student preparation.

In conjunction with the in-depth needs assessment of the school district, the board will authorize the appointment of a committee, representing administrators, employees, parents, students and community members, to make recommendations and assist the board in determining the priorities of the school district in addition to the basic skills areas of the education program.

The Central Lyon School District will survey students, families and community members; continue to include the public in building or parent advisory groups; and appoint a school improvement advisory committee that recommends goals to the Board of Directors.

It is the responsibility of the superintendent to ensure the school district community is informed of students' progress on state and locally determined indicators. The superintendent will report annually to the board about the means used to keep the community informed.

As a result of the board and committee's work, the board will determine major educational needs and rank them in priority order; develop long-range goals and plans to meet the educational needs; establish and implement short-range and intermediate-range plans to meet the goals and to attain the desired levels of student performance; evaluate progress toward meeting the goals and maintain a record of progress under the plan that includes reports of student performance and results of school improvement projects; and annually report the school district's progress made under the plan to the committee, community and Iowa Department of Education.

105 ASSISTANCE ANIMALS

It is the policy of Central Lyon to foster an equal education environment for all students, employees and community members within the district. The purpose of this policy is to provide guidance to the district on the proper use of assistance animals while on district property. The district shall allow the use of qualified service animals to accompany individuals with disabilities in all areas of district buildings where the public is normally allowed to go. This can include classrooms, cafeteria and school buses. Individuals with disabilities are people who have a physical or mental impairment that substantially limits one or more major life activities. Service animals are dogs and in some instances miniature horses trained to do work or perform tasks for individuals with disabilities.

Service animals must be current on all required vaccinations. Service animals also must be under control while on district grounds. The animal may be under control by either the individual with a disability, or a handler of the service animal. Under control means harnessed, leashed or tethered, unless these devices interfere with the animal's work, in which case under voice or other directive control.

Establishing the Need for a Service Animal

When no prior notice is given to the district of the use of a service assistive animal, the Superintendent and/or school administrators are permitted to ask the following questions: *"Do you need/require this animal because of a disability?"*

If the animal's trained tasks are not readily apparent, the administrator may ask: *"What work or task has the animal been trained to perform?"*

Service Animals in Training

Assuming the handler and animal are otherwise allowed, individuals who train service animals will also be allowed access with their service animal in training to public areas of district buildings and property. The service animal in training is expected to abide by the same requirements as a service animal.

Exclusion of Service Animals

In certain limited circumstances, it may be reasonable to exclude the use of a service animal from district property. The Superintendent is permitted to exclude service animals from district buildings and property in the following circumstances: The presence of the animal poses a direct threat to the health and safety of others; the owner or handler is unable to control the animal; the animal is not house broken; the presence of the animal significantly disrupts or interferes with the educational process; or the presence of the animal would require a fundamental alteration to the program. If a service animal is properly excluded from district property, the district shall provide the student served by the animal the opportunity to participate in the program, service or activity without having the service animal on district property.

106 DISCRIMINATION AND HARASSMENT BASED ON SEX PROHIBITED

In accordance with Title IX of the Education Amendments Act of 1972, the Central Lyon Community School District prohibits sex discrimination, including sexual harassment as defined by the regulations implementing Title IX (34 C.F.R. § 106.30), against any individual participating in any education program or activity of the District. This prohibition on discrimination applies to students, employees, and applicants for employment.

The Board authorizes the Superintendent to adopt procedures for any individual to report sexual harassment to the District's Title IX Coordinator, for the provision of supportive measures to anyone who has been subjected to sexual harassment whether or not they proceed with a formal complaint under those procedures, and for the investigation and resolution of such complaints, as required by Title IX. This Title IX grievance process shall be used to respond to all complaints of sexual harassment that fall within the scope of Title IX. For complaints of sexual harassment that do not fall within the scope of Title IX, the District may still offer supportive measures to the subject of such conduct and shall apply any other policy or procedure applicable to the alleged conduct.

Any individual with questions about the District's Title IX policy and procedures, or who would like to make a report or file a formal complaint of sex discrimination or sexual harassment may contact the District's designated Title Coordinator, Amanda Jorth, Central Lyon CSD, 1010 S. Greene St., Rock Rapids, IA 51246, (712) 472-2664, ajorth@rvcsd.org.

Retaliation against a person who made a report or complaint of sexual harassment, assisted, or participated in any manner in an investigation or resolution of a sexual harassment report or complaint is strictly prohibited. Retaliation includes threats, coercion, discrimination, intimidation, reprisals, and/or adverse actions related to employment or education. Any individual who believed they have been retaliated against in violation of this Policy should immediately contact the District's Title IX Coordinator.
