

September 15th, 2015 Physical Science (Day #14)

- Continue the Density Lab (need to open Friday's Agenda)
 - Finding the Mass, Volume and Density for Five Objects
 - Learning how to use a Graduated Cylinder to find the volume of an irregular shaped object
- Assignment
 - Read C2S2 'Measuring Matter' pages 44-48
 - WKST 117
 - Complete the vocabulary within your science notebook (3)

Aug 31-10:23 PM

Density Lab IrregularShaped Objects

Object	Mass (g)	Volume (cm ³)	Density
Marbles			

Sep 5-12:07 PM
